SIR

In forwarding herewith the file of correspondence received with Hassan Sub Division Officer's Memo No C 284-35, dated 30th January 1936, re the free grant of a bit of land to the Iswara Temple at Banavar, I have the honor to state as follows -

The Archak of the Iswara temple at Banavar having applied for the grant of a vacant plot of land measuring 10 yds by 10 yd situated to the North of the Arasinabhavi at Banavar, to the temple for raising flower plants, the matter was placed before the local Municipal Council They resolved at their meeting held on 20th April 1935, that an extent of 17 yds by 17 yds might be granted to the temple and the khate be made in the name of the deity The President has submitted the connected records together with a copy of the resolution, stating that the temple is not a recognised Muzrai Institution, that the land applied for belongs to the Municipality and has requested sanction to the resolution

As sanction of Government is necessary for the free grant of sites in Minor Municipalities (Vide Notification No L 2375-ML 113-33-2 dated 12-10-33) I request you to be so good as to obtain the sanction of Government to the resolution at a very early date

GENL SECRETARIAT 2 APR 1936 MUZRAI BRANCH

I have the honor to be,
Sir,
Your most obedient servant,
M Chennaraj Urs 1/3/36
Deputy Commissioner,
Hassan District

Serial No

(287) As the institution in question is not a Muzrai institution, the Muzrai Branch has no remarks to make in the matter. It is doubtful if the land grant (apparently free of price but not free from payment of the Municipal assessment) to the temple can be construed as inam so as to render the institution as a Muzrai one within the meaning of clause (2) of Section 2 of the Regulation VII of 1927.

4) Reference above & supra

As the land belongs to the Banavar municipal council and as the land is proposed to be granted free of cost and is not exempted from payment of municipal tax, the land is not an inam land. As the land is stated to be required for raising a flower garden for the benefit of the Iswara temple at Banavar, the Muzrai Branch has no objection to the grant proposed.
